

## WHAT CAN I DO WITH A MAJOR IN...

### **AGRICULTURAL SCIENCE**

#### **Description of Major**

A Bachelor of Science in Agricultural Science degree prepares individuals to pursue a variety of agricultural related careers. Many businesses are seeking graduates who have a diversified knowledge of agriculture and life sciences, which includes agriculture, business, leadership, and management. Choose two areas of focus that will allow you to meet your individual career goals:

- Agribusiness
- Agricultural education
- Leadership & communications
- Agricultural pest management
- Animal production
- Forestry and more

For more information on this major, visit <https://www.humansci.msstate.edu>, stop by 255 Tracy Drive, Mississippi State, MS 39762 or call 62-325-2950.
