

WHAT CAN I DO WITH A MAJOR IN... **ARCHITECTURE**

Description of Major

A Bachelor of Architecture degree is a five-year professional degree. The first four years are completed on MSU's main campus in Starkville, MS, and the fifth year is completed in Jackson, MS. The MSU School of Architecture offers the only curriculum in the state of MS leading to a professional degree in architecture. Admission to the School of Architecture is limited and highly competitive, and admission to MSU does not guarantee acceptance to the school.
