

WHAT CAN I DO WITH A MAJOR IN...

BUILDING CONSTRUCTION SCIENCE

Description of Major

A Bachelor of Science in Building Construction Science is a four-year degree designed to prepare graduates for careers in construction or construction-related fields. The studio-based program includes collaborative team projects, hands-on building projects, construction site visits and tours, and integrated cross-disciplinary work with design students in architecture and interior design. For more information on this major, please visit www.caad.msstate.edu, stop by 132 Howell Hall, or call 662-325-8305.
