WHAT CAN I DO WITH A MAJOR IN…
BUSINESS ADMINISTRATION

Description of Major

The Bachelor of Business Administration degree with a major in Business Administration gives students the flexibility to gain a general knowledge of various aspects of the business world. This major teaches students the universal functions of business, such as planning, organizing, staffing, directing, controlling, and budgeting—as well as how to organize these resources efficiently. A concentration in International Business is available to all business majors. You will also select three areas for additional specialization, which include:

- Accounting
- Business Law
- Economics
- Finance
- Information Systems

- International Business
- Management
- Marketing
- Real Estate
- Risk Management & Insurance

With the ability to select three specializations, you can customize the Business Administration degree to fit your needs. For more information on this major, please visit www.business.msstate.edu, stop by 106 McCool Hall, or call 662-325-1890.
