

## WHAT CAN I DO WITH A MAJOR IN... **FINANCE**

### **Description of Major**

The Bachelor of Business Administration with a major in Finance allows students to play a central role in the operation of the economy and is crucial to an organized society's resource allocation system. Finance majors acquire the knowledge and skills to help individuals and companies make decisions regarding allocation of scarce resources through analyzing accounting data, utilizing economic concepts, and applying statistical tools in the valuation of financial and real assets.

Concentrations available:

- Risk Management & Insurance
- International Business

For specialization, students may choose from a list of electives based on their interests and career preparation needs. For more information on this major, please visit [business.msstate.edu](http://business.msstate.edu), stop by 312 McCool Hall, or call 662-325-2341.
