

WHAT CAN I DO WITH A MAJOR IN...

GEOSCIENCES

Description of Major

A Bachelor of Science in Geosciences leads to a deeper understanding of the nature of the earth sciences in Mississippi, the southern U.S. in particular, and more generally leads to an understanding of the integrated nature of earth systems for the whole earth. The department offers six different concentrations:

- Professional Geology
- Geography
- Environmental Geoscience
- Broadcast Meteorology
- Professional Meteorology
- Geographic Information Systems

For more info on this major, visit www.geosciences.msstate.edu, stop by 108 Hilburn Hall, or call 662-325-3915.
