WHAT CAN I DO WITH A MAJOR IN…

INFORMATION TECHNOLOGY SERVICES

Description of Major

A Bachelor of Science in Information Technology Services (ITS) provides students training in the use of computer-based information systems, particularly software applications and hardware, and the creation and execution of technology user support. Students may also earn a minor in General Business Administration as part of the degree requirements. For more information, visit https://www.iswd.msstate.edu/undergraduate/its, stop by the IED Building, or call (662) 325-2281.
