

WHAT CAN I DO WITH A MAJOR IN...

INTERDISCIPLINARY STUDIES

Description of Major

The Bachelor of Science in Interdisciplinary Studies (BSIS) is intended to allow students maximum flexibility to custom-design a curriculum to their personal and career goals. Students do this by choosing two or three "areas of emphasis" which must be selected from at least two colleges. The student must write a rationale for the program's direct relationship to the student's personal and career goal and be approved by a committee review. Student applications are due September 1, February 1, or May 1. For more information on this major, please visit www.cas.msstate.edu, stop by 5th/6th floor of Allen Hall, or call 662-325-2646.
