

WHAT CAN I DO WITH A MAJOR IN...

KINESIOLOGY

Description of Major

A Bachelor of Science in Kinesiology provides concentrated programs of study designed to help prepare students for careers in the sport industry, strength and conditioning leadership, physical education teaching, fitness management and personal training, and various clinical fields such as cardiac rehabilitation. Areas of concentration include:

- Clinical Exercise Physiology
- Strength and Conditioning
- Physical Activity and Coaching
- Neuromechanics
- Physical Education and Coaching
- Sport Administration

Students may also receive endorsements in Drivers Education and Health Education. For more information, visit <https://www.kinesiology.msstate.edu/>, or call (662) 325-2963.
