WHAT CAN I DO WITH A MAJOR IN...

MEDICAL TECHNOLOGY

Description of Major
A Bachelor of Science in Medical Technology provides students the opportunity to gain exposure and become knowledgeable in basic sciences and develop skills at using sophisticated laboratory instruments. Medical Technology is a vital part of the field of laboratory medicine. A graduate in Medical Technology is eligible to take one or more national certification exams given by the American Society of Clinical Pathologists or the National Certifying Agency for Medical Laboratory Personnel. For more information on this major, visit Bachelor of Science in Medical Technology, stop by 130 Harned Hall, or call (662) 325-3120.
