

WHAT CAN I DO WITH A MAJOR IN... PSYCHOLOGY

Description of Major

A Bachelor of Science degree in Psychology provides training in the scientific study of human behavior. A bachelor's degree in psychology will prepare you for a variety of careers and for graduate education. Many Psychology students pursue graduate education in psychology, social work, counseling, college student personnel, or other related fields. For more information, please visit www.psychology.msstate.edu, stop by 110 Magruder Hall, or call 662-325-3202.
