WHAT CAN I DO WITH A MAJOR IN...

FORESTRY

Description of Major

A Bachelor of Science in Forestry encompasses the development, management, protection, and use of forest lands and resources. The curriculum is designed to produce graduates who have skills in interpersonal communications, written and oral communications, and cultural understanding. Forestry students at MSU have the opportunity to tailor their degree towards their interests by completing a specified major core curriculum and one of five academic pathways:

- Environmental Conservation
- Forest Business
- Forest Management
- Forest Products
- Urban Forestry
- Wildlife Management Concentration

For more information on this major visit, <http://www.cfr.msstate.edu/forestry/>, stop by 105 Thomson Hall or call 662-325-2949.
