

MISSISSIPPI STATE UNIVERSITY™ CAREER CENTER

WHAT CAN I DO WITH A MAJOR IN...

NATURAL RESOURCE & ENVIRONMENTAL CONSERVATION

Description of Major

A Bachelor of Science in Natural Resource and Environmental Conservation prepare students for professional careers by providing both the relevant domains of knowledge and their application to the solution of real-world problems. These experiences will ensure that graduates of the program can knowledgeably develop, apply, facilitate, and/or execute natural resource and environmental management plans that adequately address matters of ownership/public goals and objectives, ecosystem health and sustainability, and the legal and regulatory environment. Student can choose from three concentration:

- Natural Resource Law & Administration
- Natural Resource Technology
- Resource Conservation Science

For more information on this major visit, <http://www.cfr.msstate.edu/forestry/undergraduate.asp>, stop by 129 Thompson Hall or call 662-325-2952.
