| STRONG Interest Inventory | • Online interest inventory that compares your interests to people who are satisfied with their work.  
• Helpful for people choosing or changing their major or students in any major who are wondering what types of career options might fit their interests.  
• Students receive results and a 1-hour interpretation with a Career Center staff member. | $20  | • In order to obtain the link to the STRONG Assessment, call or email the Career Center to authorize payment using your Banner account.  
• Follow the link provided via email to take the STRONG Assessment online.  
• Call the Career Center to schedule a phone or video 1-hour appointment with a coordinator.  
• The coordinator will provide you with your results via email prior to your appointment time. |
| TypeFocus Careers    | • Online assessment that provides you with a 4-letter personality type, interests, values, and success factors related to career choices.  
• Career suggestions and resources are tailored to your results. | FREE | • Obtain instructions and site password from a Career Center staff member.  
• Register and take the TypeFocus to determine your personality type, interests, and values.  
• After completing all assessments, select Portfolio from the top menu ribbon to view results. Additionally, you can explore occupations that fit within your assessment results, set goals, review job search tools, and learn about team success and lifelong learning.  
• Log in as often as needed to spend time looking through your reports. |
