

## WHAT YOU NEED

- Computer with a webcam and microphone (internal or external)
- Internet access
- Quiet space
- Adequate time to complete set-up, conduct the interview, and complete the assessment

Go to: [msstate.interviewstream.com](http://msstate.interviewstream.com)

Select "Register" and complete fields using your msstate.edu email address.

Log In with email and password.

On the home screen, click "CONDUCT INTERVIEW" to select a pre-made interview.

Click "CUSTOM INTERVIEW" to create your own practice interview

- Select up to 10 interview questions (select from the folders or use the search field)
- Go through the steps for Connection Test, Webcam Check, and Volume
- To proceed in the Webcam Check, click the small  button in the gray "USB Video Device" box, then select the webcam from the dropdown box.

## CONDUCT THE INTERVIEW

\*NOTE: You will not be able to see yourself when you are recording answers. Be sure to maintain eye contact with the camera. Do not move out of the frame of the camera, including lowering your head to read materials on the workspace in front of you.

*Relax, speak clearly, and be aware of your non-verbal communication.*

When the interview is complete:

- Click the individual questions to review responses.
- Click the "ASSESSMENT" under the video screen and complete the self-assessment.
- Click "SAVE" at the bottom of the assessment.
