Career Center Services

ONE TEAM
The Career Center is a team of professionals devoted to each college, school, program, and major here at MSU. We understand the role your career choice plays in your overall happiness, and our goal is to assist you in a smooth transition from being a student to a career ready professional.

ALL IN
As an MSU student, we realize you arrive to campus with very specific, individual needs. To help meet those needs, the Career Center is committed to offering an array of programs and services to align with finding a career that is best for you. Below is a list of our most popular services:

OUR SERVICES

APPOINTMENTS
Our staff is here to listen, ask questions, give feedback, help identify obstacles, and teach strategies to determine your next steps toward your goal.

ASSESSMENTS
Strong Interest Inventory
• Online interest assessment that compares your interests to people who are satisfied with their work.
• Helpful if choosing or changing your major or wondering what types of career options might fit your interests.
• You receive results and a 1-hour interpretation with a Career Center staff member.

TypeFocus
• Online personality assessment that instantly provides you with a Myers-Briggs 4-letter type.
• Good way to see how personality impacts your career choices and interactions with others.

CONNECTIONS
Connections is our online job board and should be your first option when performing your job search, scheduling on campus interviews, or checking out what companies are visiting campus. Ask us how to sign up!

EVENTS
After graduation, opportunities to engage in large numbers of employers during one event will be rare. Therefore, we host several events throughout the year to help you explore careers and connect with professionals in various fields. These events are great opportunities to collect company information and network.

MOCK INTERVIEWS
Preparation is the key at being successful in almost anything in life but definitely in an interview. Practice your interview skills with trained professionals.

ON-CAMPUS / VIRTUAL INTERVIEWS
Each year, the MSU Career Center provides the opportunity for you to interview with employers who come seeking YOU to interview with their company or organization right here on campus or through online resources.

RÉSUMÉS
Your résumé is a major marketing tool during your career search process. To ensure it's as professional as possible, allow us to review and offer feedback on your résumé before submitting it to a potential employer.

FOR OUR BULLDOGS
Because once you’re a Bulldog, you’re always a Bulldog, right? MSU graduates receive services from the Career Center up to two years after graduation. From undergraduate to graduate, the Career Center is here to help our students and alumni. Contact us for more information.
